During the life time of Don Bosco every year, for eighteen years, the Past Pupils returned to Don Bosco. Today with the spread of Don Bosco Institutions throughout the world the association has grown into a World Confederation.

The World Confederation of the Past Pupils of the Salesian Sisters (FMA) was founded on March 19, 1980 at the FMA house in Turin. The Association is structured as follows: The World Confederation, the Provincial Federations and the Local Associations. It is made up of men and women who have been educated in any work of the Salesian Sisters, irrespective of their religious, cultural, social or ethnic background. Membership is open to those who, though not educated by the Salesian Sisters, have become aware of Salesian values and have assumed them in their own lives, through an appropriate formation process.

It is the wish of Don Bosco that the students who leave a Don Bosco Institution should find the office of the Past Pupils Association, register their names, participate in the activities and partake of the privileges and responsibilities of a Don Bosco education following its motto:

'KNOW, LOVE, HELP ONE ANOTHER AND KEEP UNITED'.

HINTS FOR STUDENTS IN SALESIAN SCHOOLS

Given by Don Bosco)

Attitude to God

1. Remember that we have been created in order to love and serve God, our Creator, and that all learning and wealth in this world amount to nothing without the fear of God on which our temporal and eternal welfare depends.
2. Give glory to God for whatever learning you have for. He is the Author of every good. Do not glory in any ability.
3. Give yourself to the practice of virtue while you are young. The virtues to be cultivated most are modesty, purity, humility, obedience and kindness.
4. By modesty is meant a proper and decent manner of speaking and acting. This is one of the best ornaments of your age.
5. Avoid every kind of sin, but especially these evils should be particularly avoided:
 - a) Taking the name of God in vain;
 - b) Impurity in thought, word or deed;
 - c) Stealing These evils draw down God's anger upon us. But if we keep these evils far away from us, God will never fail us with his blessings.

Attitude to Teachers

1. Respect every teacher whether of your own class or not. Be grateful towards those who taught you in the past. Show your teachers those exterior signs of reverence to which they are entitled, such as greeting them whenever you meet them.
2. Be convinced that your teachers deeply feel their serious obligation of promoting your welfare in the best way they possibly can, and that in advising and correcting you, they have nothing else in view than your own good.
3. After piety study is the most praise worthy. Therefore your first occupation must consist in doing the tasks assigned to you by your school.
4. Always rise when your teacher enters class and again when she / he leaves. If she / he delays in coming, do not make any noise, but wait for her / him in your place in silence, reviewing your lesson.
5. During class avoid whispering or interrupting.
6. Arrogant and challenging behaviour towards teaching or non-teaching staff is forbidden. On their way to and from school, students must behave in a decent manner. Any behaviour that may bring disrepute to the school must be avoided. A student who indulges in inappropriate behaviour may be suspended or even dismissed.

Attitude to School- mates

1. Strive to edify your school-mates by your good example at all times. In fact no sermon is more efficacious than good example.
2. Never make fun of those who are backward in the lessons. Let there be no ridiculing of anyone on account of his / her physical defects. What you laugh at or despise in others may some day befall you.
3. Gladly help one another. At recreation make no distinction in the choice of your companions. Let no one be slighted in any game and let there be no selfishness. If there be need to make a sacrifice for the sake of the team let it be made cheerfully.
4. When you are asked by a Superior regarding the conduct of some of your companions, answer to the best of your knowledge especially when it is a matter of preventing or remedying some evil. To be silent would not be beneficial to your companion and would be offensive to God. Always avoid exaggeration and speak truthfully.

Behaviour at School

1. To write or draw on the blackboard (except when called upon to do so), to write words offensive to anyone, to soil walls or maps or anything else are things absolutely to be avoided.
2. Take great care of your Text Books, Exercise copies and other belongings. Beware of appropriating your neighbor's property even if it be the smallest things. Should you find a lost article give it at once to the Principal.
3. Keep the floor clean by allowing no paper or ink to fall on it. Cleanliness and purity of students are reflected by a clean and neat exterior.
4. Always have high regard for your School, keep its Respect and Honour as a Responsible student.
5. Whenever you move from place to place be orderly. Do not push or shove one another.
6. Speak well of all, think well of all, do good to all.

Behaviour outside School

1. Speak no ill of your school-mates, or of the discipline or management of the school. Everyone is perfectly free to remain or not to remain in the school.
2. Always speak well of your School and of your Teachers.

I have read, understood and am willing to abide by the rules and regulations given in the School Prospectus, in letter and spirit.
